

Clues from the bidding

If East overcalls in Diamonds and West in Hearts, this improves North and South's holdings:

But if the overcalls are reversed, both North and South should downgrade their hands

The double makes it unlikely the club or diamond finesses will succeed, so just play AQ of clubs to set up the jack of clubs <http://tinyurl.com/kn5kzqv>

Notes on using Bridgebase

1. If you want to see just the dummy (North) and South's hands, click on the "South" name to hide/reveal the East-West hands.
2. If you want to switch to choosing your own line of play, click on the "Play" Button and then select the cards yourself.
3. The GIB Button will show you at any point how the tricks made will be affected by the card you play.
